

	ACTION	DIALOGUE/NARRATION
1	<p>Ben plays the Options Song on his guitar for a group of kids in the park.</p> <p>E*TRADE age disclaimer.</p>	<p>STEIN:</p> <p>E*TRADE gives us spreads, straddles, and strangles...Spreads, straddles, and strangles...Spreads, straddles, strangles...</p>
2	<p>Ben stands by himself, behind him the kids continue to sing the Options Song.</p>	<p>STEIN:</p> <p>We all know that spreads, straddles, and strangles are much more than an original song by me, Ben Stein.</p>
3	<p>Ben continues to talk to the lens.</p>	<p>STEIN:</p> <p>Options traders deal with these terms everyday. They know it can be tough to enter complex options orders on the web. Well, those days are over, thanks to E*TRADE's new Options Edge.</p>
4	<p>Man works at his PC in home office.</p> <p>We see a cursor moving over the Options Edge screen.</p>	<p>NARRATOR:</p> <p>Options Edge adds a new level of sophistication and ease to your options trading. Enter spreads, strangles, and straddles quickly and easily in a single transaction. And there are no additional charges involved. Of course, your online account records will be automatically updated with all your options positions.</p>
5	<p>More screen shots of the many different Options Edge features</p>	<p>NARRATOR:</p> <p>With Options Edge, E*TRADE provides you with a variety of tools for analyzing leverage and pricing for options contracts available for a particular stock. Take a look at the most active options in terms of volume, open interest, and process increases or decreases.</p>

6	See close-ups of the E*TRADE screen and Options Edge screen.	NARRATOR: With Options Edge you can learn how to analyze calls and puts. Get free real time option quotes for members and customers.
7	Ben is once again surrounded by the kids. One of them, ten-year-old JENNY, raises her hand.	JENNY: But what is the song about, Mr. Stein?
8		STEIN: It's about taking control of our financial future, Jenny -- by using the incredible tools and services that E*TRADE offers to everyday investors. One day you kids will understand the importance of having the right tools. Until then, let's sing another song...
9	They all continue to sing.	STEIN: Mutual Funds are lots of fun...
